SPANISH COLONIAL EXTERIOR DESIGN SHOWN

- THE CADENCIA HIGHLIGHTS**
- An attractive covered porch leads to a dramatic two-story foyer which offers extended views into the great room.
  - The splendid dining room includes an array of windows and access to the kitchen from an impressive butler pantry.
  - The superb kitchen is equipped with a plethora of counter space, as well as desirable center island and a pantry.
  - Neighboring the great room is a luxurious master bedroom which proudly displays various windows and a master bath that offers a 6' soaking tub, a dual-sink vanity, a private water closet, and an appealing walk-in closet.
  - Additional highlights include a superb bonus room and a convenient laundry.
