THE CARRILLO HIGHLIGHTS

- This sensational home is accented by an expansive covered porch that leads you into a beautiful foyer that features a coffered ceiling.
- Highlighting the large great room are plenty of windows that bring in natural light.
- The open design of the kitchen offers plenty of counter space, an enormous kitchen island with a breakfast bar, a walk-in pantry, and a neighboring dining room with views of the rear yard.
- This home features a superb loft space with easy access to the surrounding bedrooms, making it a great space to accommodate family gatherings.
- The enticing master bedroom flaunts an elegant coffered ceiling and includes a stunning master bath that offers an enormous walk-in closet, dual vanities, a large shower, a 6' tub, and a private water closet.
- Additional highlights include a convenient laundry room and large secondary bedrooms that each include a private bath.
