

The many lives of your family find their expression in this two story home within a home. To the back of the house, your generous kitchen, nook and family room combine to create a comfortable retreat space for the kids or ample entertainment center for the gourmet chef. Head upstairs to the optional game room – what better place for a spontaneous game of billiards – perfect for enjoying one another's company.

First Story

adds 186 square feet
(shown in model)

Second Story

RESIDENCE THREE
~ A Elevation ~

(shown in model)

(shown in model)

Exteriors, square footages, architectural details, room layouts, porches, balconies, railings and windows vary per elevation, architectural enhancement, option and location. All garages vary in size and may not accommodate all vehicles. All square footages are approximate.
