

This is a house where the stature of your little guy is carefully measured and marked on the laundry wall. Memories are created here, family gatherings where dining, living and family rooms are fully and playfully shared. These are the growing years when private baths for every room come in handy and a family get-together for ten is easily orchestrated in the kitchen that has it all.

### First Story

adds 182 square feet  
(shown in model)

### Second Story

RESIDENCE TWO  
~ CR Elevation ~

Exteriors, square footages, architectural details, room layouts, porches, balconies, railings and windows vary per elevation, architectural enhancement, option and location. All garages vary in size and may not accommodate all vehicles. All square footages are approximate.
